

ColorMax<sup>®</sup> Colors

ALSCO<sup>®</sup> Aluminum Trim Coil has been specifically designed and tested to provide exceptional performance with CertainTeed WeatherBoards<sup>™</sup> fiber cement cladding products.

Clearance & Counter Flashings

Use **ALSCO**<sup>®</sup> 24" X 50' Aluminum Trim Coil to custom form color-matched flashings for the following applications:

Door Caps

Drip Edges

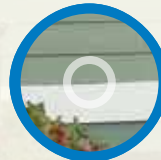

Window Caps

Horizontal Joints

These ColorMax colors are precisely formulated for all CertainTeed WeatherBoards fiber cement cladding products. You can let your imagination run wild with 250 additional complementary colors to choose from. ALSCO's tough, weather-resistant Dymalar<sup>®</sup> 2000 baked-on finish is virtually maintenance free. Our rugged, smooth finish is guaranteed not to crack, chip or peel.

*Lifetime Limited Warranty expressly covers use with CertainTeed WeatherBoards fiber cement cladding products.*

Band Boards

Butt / End Joint Flashings
